

# McPhee Red Angus

Welcome to McPhee Red Angus

The goal of McPhee Red Angus has always been to raise low maintenance, high performance cattle, with you our customers in mind. We run our cowherd much like the commercial cattleman would. They winter in the Sierra Foothills and raise their calves on native pasture. After weaning, the cows are brought down to the valley to irrigated pasture to calve and start the cycle all over again. Our cattle are raised to work and turn a profit.

With record-high prices for feeder cattle and replacement females, now is the time to invest in your breeding program. Our bulls and females are raised in the foothills and the bulls are grown out here at the ranch with plenty of room to move and exercise. The bulls have been performance tested and are ready to go to work for you.

Our offering includes 45 yearling bulls and five age-advantaged bulls, all semen tested and ready to work. We are also offering 21 open yearling heifers, ready to breed. In addition, we have a selection of 12 fall-calving cows, many of which will have calves at side by sale day, and five spring-bred heifers.

We are pleased to have several special guest consignment opportunities this year. Bianchi Ranches is offering four bulls and Elam Ranches has two bulls and two open heifers. Settrini Ranch is offering six commercial open heifers, with the opportunity to purchase in two lots of three heifers each.

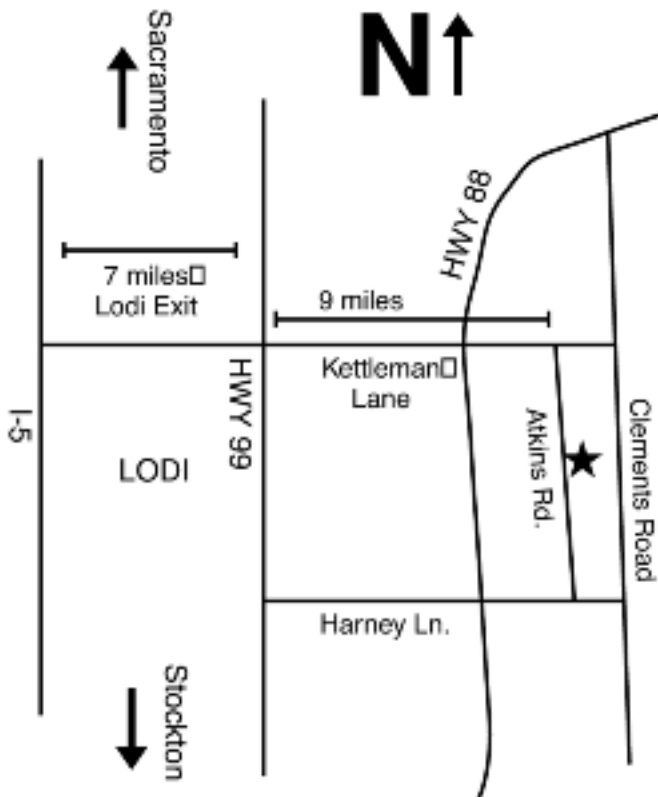

Our sale will be broadcast live at [DVAuction.com](http://DVAuction.com) in conjunction with Western Video Market. Videos of all lots will be available for viewing prior to sale day. Visit [McPheeRedAngus.com](http://McPheeRedAngus.com) to view videos or call Rita at 209-607-9719 for more information.

Join us Saturday, September 23 for a great beef lunch, a great sale and great friends.

A herdsire that impresses us with each calf crop. He is good himself and backs it up with the performance he stamps on his calves. McPhee Done Good has a great balance to his suite of EPDs and offers a little something all across the board. He is a very stylish sound footed bull to lay your eyes on. We couldn't be more pleased with what he has done and are excited with him in our pastures breeding cows. Done Good is out of a McPhee Trophy 36 daughter.

This is a herdsire that offers everything you will need to collect the extra premiums at market time, especially with an ADG EPD ranking in the top 2% of the breed. When calves are sold by the pound, this sire can add pounds to your calf crop at weaning. Over half his EPDs rank in the top 20% of the breed including BW and top 10% for YW, he is a curve bender that puts money in your pockets. He is loaded with muscle and great conformation. He has tremendous eye appeal and is one that has a healthy libido. His nickname is playboy as he is always looking for the next female in heat. We have used him on heifers and cows alike with tremendous success. We selected Flatiron Precision as our choice from all the Red Angus bulls in the 2017 National Western Sale in Denver.

Is our ET son out of the famed Royce's Sensational cow. He is one to get your attention with his thickness and eye appeal. He was the high indexing and selling Red Angus bull at the 2017 Midland Bull Test in Montana selling to Hathaway Red Angus. After having regrets of letting him go, we were able to work out a partnership, and he found his way home. He has it all, calving ease and growth and carcass quality, all highly heritable traits that he has passes on to his calves. Coming from one of the best cow families in the breed he offers a unique combination of maternal and terminal performance to add value in your calf crop. Your opportunity to get in on this performance is through these sired calves and his semen is not on the open market.

A rare opportunity to obtain progeny on a herdsire that had his career cut way to short. The Duke was our pick of the natural sons by the powerhouse sire McPhee Trophy 36. He offers breed leading calving ease ranking in the top 15% and carcass quality with a Marbling EPD of 0.79 ranking in the top 5% of the breeds sires. He was thick through and through without sacrificing structural soundness. Unfortunately just a month and a half into breeding season he cut his foot on an old feeder panel that developed into a joint infection. Regrettably no semen collected and very few progeny.

This young sire is sure to make his mark in our herd. He is a bit of a outcross on his maternal side. He is a curve bender offering calving ease and explosive growth. With EPDs like WW top 4%, YW top 5%, ADG top 7%, Marb top 13%, CW top 2% and a REA in the top 16%. This all makes him very desirable and the right choice for the added premiums on your calves.

One of our up and coming young herdsires working the pastures. He offers superior carcass traits scanning a 4.4 marbling with a 132 ratio. That is a trait that he will certainly pass on to his progeny and collect the premiums at harvest. Dynamic is just as impressive to look at, as he is long bodied deep ribbed and sound as a cat.

This son of Flatiron Precision 643 has a great suite of EPDs including growth and carcass traits. He is well balanced on a moderate frame and loaded with red meat. McPhee Magnum 5109's dam has outstanding performance and carcass EPDs herself, ranking in the top 10 of the breed for seven traits. His ADG EPD ranks him in the top 1% and his Marb EPD ranks in the top 4%. With just a 74-lb. BW, this calving ease bull will produce calves that will crush down the scale come sale time.

This big-bodied bull is thick over the top and long sided. He is a bruiser for sure. He is a son of Flatiron Precision 643, a sire that offers everything you need to get extra premiums at market time. Look at his -2.4 BW EPD—your females will like him because of that for sure. Be confident he will add pounds and yield to any calf crop with his ranking of top 3% for ADG EPD.

This bull is long bodied and smoothly made. He is well balanced, and his performance figures are second to none. His WW ratio is 110 and his YW ratio is 111 with an AYW of 1293. His Marb EPD ranks in the top 4% of the breed. His EPD spread is amazing with a WW EPD of 85 and a YW EPD of 139. He is a double-bred Royces Sensational 14, a cow known for great performance and for passing it to her offspring. This future herd bull is a complete package—don't miss out.

Bianchi Ranches is owned and operated by Robert & Chris Bianchi and Erica & Steven Pirnik. We are located in the foothills of Gilroy, Calif. We strive to produce top quality bulls in many different breeds to benefit commercial cattlemen throughout the Western States. Our cattle are all raised in foothills under the same conditions as our entire commercial cattle herd.

Red Angus Cattle have been one of our main focuses for the last several years as we strive to better our cow herd and the bulls we have to offer.

We would like to thank McPhee Red Angus and the entire McPhee Family for allowing us to market our fall bull calves alongside theirs.

All four bulls in our offering this year are the cattlemen kind. They are muscular, big backed, big footed, and ready to work in any breeding program. We strive ourselves on producing not only phenotypically pleasing bulls but bulls that will offer value to your cow herd.

## Lot 92

Tags: 18, 19, 20

- September / October born
- Sired by McPhee and Ludvigson Bulls
- NHTC, All Natural
- Red Angus Certified
- 2 rounds vaccinations
- Fully weaned
- Been on dry grass, recently been locked up eating alfalfa hay and a 20 % protein cube

For the past 108 years the Settrini Family has been running a commercial cow/calf operation in the foothills of the Salinas Valley, 50 of those years raising red angus. John and Celeste, the brother/sister team handle the day to day happenings on the ranch with mom Anita managing the office. Settrini Red Angus calves have been sold through Western Video Market and Turlock Livestock Auction Yard. The calves have proved themselves time and time again with repeat buyers at both the video and sale barn.
